## Engineering & Computer Science Career Options

*Some of the listed career options may require additional education/training beyond the Bachelor’s degree*

### Computer Engineering
- Applications Engineer
- Chief Information Officer
- Communication Engineer
- Computer Engineer
- Computer Systems Administration
- Controls Project Engineer
- Design Engineer
- Director of Technology
- Electronics Engineer
- Equipment Designer
- Power Distribution Engineer
- Product Support Consultant
- Research Engineer
- Systems Engineer
- Technical Support Engineer
- Test Engineer

### Computer Science
- Application Engineer
- Artificial Intelligence Programmer
- Bank Investment Programmer
- CAD/CAM Technician
- Computer Engineer
- Computer Programmer
- Computer Scientist
- Computer Systems Engineer
- Computer Testing Engineer
- Cryptographer
- Data Base Analyst
- Design Engineer
- Development Engineer
- Diagnostic Programmer
- Document Specialist
- EDP Auditor
- Equipment Designer
- Information Systems Designer
- Network Engineer
- Quality Assurance Controller
- Research Engineer
- Robotics Programmer
- Satellite Communications Specialist
- Software Analyst
- Software Design Engineer
- Software Programmer
- Software Technician
- Special Effects Specialist
- Systems Engineer
- Teacher
- Technical Support Engineer
- Technical Writer
- Telecommunications Specialist
- Test Engineer
- Value Engineer
- Webmaster

### Electrical Engineering
- Analysis Engineer
- Applications Engineer
- Audio Systems Engineer
- Automatic Controls Engineer
- Automotive Electronics Engineer
- Avionics Engineer
- Circuit Design Engineer
- Communications Specialist
- Component Engineer
- Computer Programmer
- Corporate Technician
- Corporate Designs Engineer
- Electrical Engineer
- Electrical Design Engineer
- Engineering Analyst
- Engineering Scientist
- Facility Engineer
- Failure Analyst
- Implementation Engineer
- Industrial Engineer
- Logic Design Engineer
- Marketing Engineer
- Mechanical Engineer
- Nuclear Engineer
- Power Supply Design Engineer
- Process Computer Programmer
- Product Test Engineer
- Quality Control Engineer
- Research Engineer
- Robotics Specialist
- System Design Engineer
- Systems Test Engineer
- Test & Development Engineer
- Vehicle Development Engineer
- Vehicle Systems Engineer

### Engineering Chemistry
- Automobile Engineer
- Chemical & Process Engineer
- Chemical Contact Engineer
- Chemical Operations Engineer
- Chemical Researcher
- Chemist
- Coating Engineer
- Corrosion Engineer
- Development Engineer
- Electrical Engineer
- Emission Control Engineer
- Energy Coordinator
- Environmental Engineer
- Microbiologist
- Nuclear Engineer
- Plastics Engineer
- Reliability Chemist
- Scientist
- Space Propulsion Engineer
- Teacher
- Water Systems Engineer

### Engineering Physics
- Acoustical Engineer
- Acoustical Physicist
- Astrophysics Physicist
- Aeronautical Engineer
- Applications Programmer
- Biomedical Engineer
- Computer Engineer
- Electrical Engineer
- Environmental Engineer
- Fluid Physicist
- Industrial Engineer
- Instrument Technician
- Laser Technician
- Mechanical Engineer
- Molecular Physicist
- Nuclear Engineer

### Mechanical Engineering
- Advance Development Engineer
- Aerospace Engineer
- Analysis Engineer
- Applications Engineer
- Assembly Engineer
- Automation Engineer
- Brake Development Engineer
- CAD Operator
- Computer Graphics Engineer
- Construction Engineer
- Corridor Engineer
- Design Engineer
- Director of Engineering
- Distribution Engineer
- Effectiveness Engineer
- Electronic Optics Engineer
- Energy Conservation Auditor
- Energy Consultant
- Experimental Engineer
- Field Test Engineer
- Industrial Consultant
- Manufacturing Engineer
- Nuclear Engineer, U.S. Navy
- Patent Examiner
- Process Engineer
- Production Operation Planner
- Professor
- Project Technician
- Prototype Engineer
- Reservoir Engineer
- Space Analyst
- Structural Engineer
- Systems Designer
- Technical Advisor
- Test Coordinator
- Tool Engineer

### Systems Engineering
- Advanced Technician
- Control Systems Engineer
- Director Data Processing
- Distribution Analyst
- Electrical Engineer
- Field Engineer
- Hydrologist
- Product Test Engineer
- Professor
- Programmer
- Software Engineer
- Software Specialist
- Statistician
- Support System Analyst
- Systems Engineer
- Test Development Engineer
